DECISION SHEET

Standard(s)- (year and edition): IEC 60601-1:1988 Ed.2 Am1+Am2	**Sub clause(s):** 15 b)	**Sheet n°:** **DSH-414**
Subject: Interference suppression capacitor	**Key words:** Enclosure, capacitor	**Confirmed by CTL at its 39th meeting, in Cologne**

Question:

In most equipment interference suppression capacitors are not the only capacitors used.

Decision:

Measure the capacitance between and ENCLOSURE and between lines

Explanatory notes:

Replace “interference suppression capacitor” by “the measured capacitance” .
