COLLECTION OF THE CTL DECISIONS
DECISION SHEET

Standard(s)- (year and edition): IEC 60601-1:1988 Ed.2 Am1+Am2	**Sub clause(s):** 56.7	**Sheet n°: 533**
Subject: Lithium Batteries	**Key words:** Lithium, Batteries	Decision taken at the 40th meeting 2003

Question:

What are the requirements for Lithium batteries.

Decision:

The requirements of clauses 6.2 d), 52.5.9 and 56.7 in IEC 601-1 have to be applied to Lithium batteries.

Explanatory notes:

IEC 950 has requirements for Lithium batteries.
6.2 d), 56.7 and 52.5.9 (Failure of component) in IEC 601-1 cover already the requirements of 4.3.21 and 1.7.17 in IEC 950.
