COLLECTION OF CTL DECISIONS

1.1.1.1 Standard: IEC 61010-2-031: 1993	1.1.1.2 Sub clause: 5	**Sheet n. 328** **Page 1(1)**
1.1.1.3 Subject: Marking	**Key words:** - Marking - Clamps - Clips	**Provisional decision taken by ETF3 and confirmed by CTL at its 38th meeting, in Toronto**

Question:

What marking is required on accessories such as electrical clips and clamps where the items are too small for the marking to be legible?.

Decision and Explanation:

Marking should be as defined in this clause unless it is judged illegible, in which case, the 'Caution' symbol should be affixed. Details of the applicable Caution should be incorporated in the instructions for use.
