DECISION SHEET

Standard(s):	Sub clause(s):	Dec. No.
IEC 60065: (1998) 6th edition	6.2	DSH-549
Subject: **Optical Output Connectors**	**Key words:** **- output connector** **- laser** **- LED**	**Decision taken at the 41st CTL meeting.**

Question:

Does the type of optical output connector widely used to interconnect pieces of multimedia equipment qualify as:

(1) a LASER SYSTEM, as defined by sub-clauses 2.2.6 and 2.2.7 of IEC 60065:1998 subject to the safety requirements of Sub-clause 6.2; or

(2) an LED emission device considered exempt from Clause 6.2?

Decision:

It is considered an LED emission device exempt from clause 6.2 of IEC60065: 1998.

Explanatory Notes:

This issue was discussed in TC108 MT1 in its London and its Oslo meeting.
